

CONQUISTA - CSC820

The CSC820 - Black Pearl. Conquista's flagship combining sleek lines, timeless elegance and astonishing performance at an outstanding fuel economy. The custom built 8.27 meter Sport Cabin Cruiser boasts plenty of deck and cabin space, a fully equipped berth & bathroom and state of the art electronics inside and out unheard of in a vessels of this size. The spacious and luxurious sun pad provides ample space for water activities or to simply relax and unwind.

Core matt infusion molding and honeycomb elements give this unique vessel an exceptional strength to weight ratio, under cutting the competition by around 30%. Combined with a deep-v hull and 26.3 degree dead rise at the transom, the Black Pearl handles choppy seas and rough waters with exceptional ease and ensures you always get home comfortable, safe and dry regardless the conditions you are facing. A true All-rounder proving that attractive design, seaworthiness, fuel economy and performance can merge into one single vessel.
